STELLARIS MONTHLY NEWSLETTER JULY 2021

Stellaris Team,

Like the North Star leading the way, Stellaris leads its brand partners and employees towards stellar operations and professional growth as we feel driven by a responsibility to our brand partners, employees and communities. We believe in cultivating life leaders, and in order to do that we need to support, communicate and unite as a team under the same vision. We hope this newsletter is one thing that helps each month to do just that. We encourage you to read everything here, follow us on social media, join us at our team events, encourage your teammates to do the same, and ask yourself how you can be a leader in your roles at work and in life.

Ahmad Moalej,
Stellaris Founder and CEO

IN THE NEWS

Team Member Spotlight/Leader Recognition

Our North Star Leadership Development program encourages and supports team members as they train and move up through the ranks of our leadership levels. It was a rewarding day at the Stellar Leaders training program for Unit 558.

A stellar performance deserves special recognition. Reyna Topete stood out as a Stellar leader by helping out another unit far from her hometown restaurant for 2 months. Her hard work and commitment deserve recognition. Thank you, Reyna!

Our Clinton team achieves a 90% OA. Through constant recognition and strong values, the culture that sets us apart grows stronger by the day.

Our Utah team excels and we celebrate their achievements with a surprise pizza for outside service and a few great customer compliments!

Our Utah team celebrates a 94.8% OA! We maintain our culture of recognition that sets us apart from the rest.
