STELLARIS MONTHLY NEWSLETTER AUGUST 2021

Stellaris Team,

Like the North Star leading the way, Stellaris leads its brand partners and employees towards stellar operations and professional growth as we feel driven by a responsibility to our brand partners, employees and communities. We believe in cultivating life leaders, and in order to do that we need to support, communicate and unite as a team under the same vision. We hope this newsletter is one thing that helps each month to do just that. We encourage you to read everything here, follow us on social media, join us at our team events, encourage your teammates to do the same, and ask yourself how you can be a leader in your roles at work and in life.

Ahmad Moalej,
Stellaris Founder and CEO

IN THE NEWS

A pioneer in the QSR industry celebrates 80 years of a brilliant and consistent trajectory. What started as a hot dog stand on July 17, 1941 in Los Angeles is now a successful franchise all over the world.

Eighty years after its opening, Carl's Jr. remains a solid and successful brand in the QSR industry and as a brand partner, we celebrate its trajectory and achievements. Our Vice President, Beatriz Rodríguez, started with this company as a crew member in 1983. Thirty eight years later, her hard work, commitment and loyalty are paying off. She's now our VP and is successfully managing several districts.

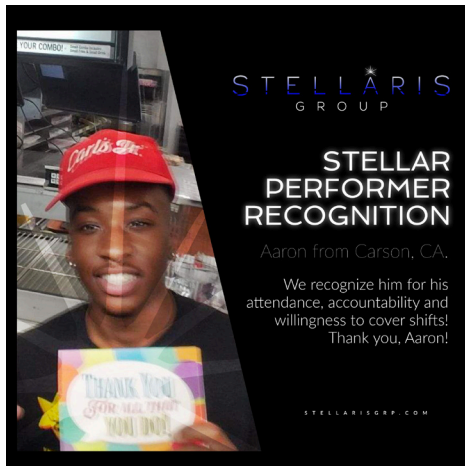

Both Beatriz and Carl's Jr. have many more years of achievements and success to look forward to. Congratulations!

SPOTLIGHTS & RECOGNITIONS

Team members like Aaron from our Carson, CA team are examples to follow! Aaron received a Thank You card and free meal for his impeccable attendance, accountability and willingness to cover shifts. A great performance like his never goes unnoticed, and now he is being considered for the Crew Trainer role. Thank you, Aaron!

We'd like to extend our appreciation for this team's great performance. District Manager, David Bonillas, shares a few words about this team: "They have great commitment. They all work together, and although at times it may be difficult, they continue to show pride in their work. I know numbers are a big part of our job, but sometimes you need to look at the heart of the crew."

We value your commitment and we are proud of your success. Thank you, team 108!

We transform the industry by adapting and innovating. Our Utah team successfully completed the installation of their first Crunchtime system, an effective financial and reporting system that will secure fluid operations and reliable results and save time and money in all our units. This is what success looks like!

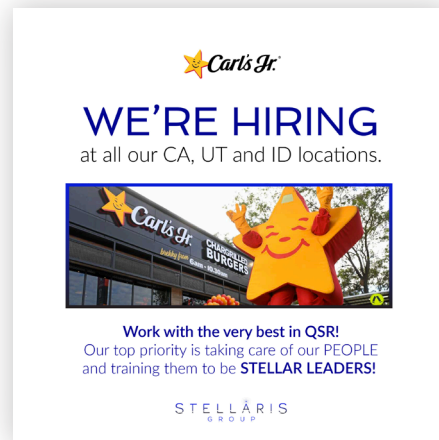

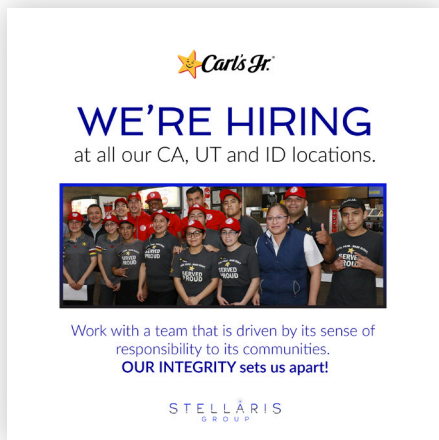

California DMs, Mizael Vergara & Lupe Pacheco, are reliable leaders that are always ready for the next task! Showing true commitment and support to our sister units, Mizael and Lupe took ownership and helped train up our Utah staff on Crunchtime.

This is a great example of Stellar teams coming together to achieve success. Our California and Utah teams always support each other in their way towards excellence, and are committed to quality and innovation in every one of our units. Together we can always triumph. Thank you, Mizael and Lupe!

We lead our team members to where they want to go through a culture of recognition!
