### STELLARIS MONTHLY NEWSLETTER NOVEMBER 2021

Stellaris Team,

Like the North Star leading the way, Stellaris leads its brand partners and employees towards stellar operations and professional growth as we feel driven by a responsibility to our brand partners, employees and communities. We believe in cultivating life leaders, and in order to do that we need to support, communicate and unite as a team under the same vision. We hope this newsletter is one thing that helps each month to do just that. We encourage you to read everything here, follow us on social media, join us at our team events, encourage your teammates to do the same, and ask yourself how you can be a leader in your roles at work and in life.

Ahmad Moalej,  
Stellaris Founder and CEO

## IN THE NEWS

### WE HAVE BIG NEWS!

Recently, we received an amazing recognition: Stellaris Group has been ranked #154 in the 2021 Monitor 200®, a ranking of The Top 200 Franchisees in the U.S by the Restaurant Finance Monitor. We're humbled and grateful for this recognition because even though we're supported by decades of experience and brilliant leadership, Stellaris Group is still a new-born star in the QSR industry which has taken giant steps in a very short period of time. We're so proud of this achievement!

# OUR GROWTH

STELLARIS GROUP

HANDS ON PRODUCT TRAINING

*"I hear and I forget. I see and I remember. I do and I understand."*

Confucius

Every new product training gives an opportunity to challenge ourselves and surpass our own limits!

STELLARISGRP.COM

Training our team members is not only about sharpening our skills, it's also the chance to bond as a team and have fun in the process!

Training is a crucial part of our operations: it takes proper guidance from our leaders and a lot of determination from our team members to practice a skill to perfection and produce a high-quality product every time for a new guest. Whenever we have a new product that requires staff training, we're faced with a new challenge that we tackle together as a team, with the huge satisfaction of saying we're getting better with every try.
