STELLARIS MONTHLY NEWSLETTER SEPTEMBER 2021

Stellaris Team,

Like the North Star leading the way, Stellaris leads its brand partners and employees towards stellar operations and professional growth as we feel driven by a responsibility to our brand partners, employees and communities. We believe in cultivating life leaders, and in order to do that we need to support, communicate and unite as a team under the same vision. We hope this newsletter is one thing that helps each month to do just that. We encourage you to read everything here, follow us on social media, join us at our team events, encourage your teammates to do the same, and ask yourself how you can be a leader in your roles at work and in life.

Stellaris Founder and CEO

ANNOUNCEMENTS

More than 24 years of experience in the QSR industry have taught Stellaris' leadership many lessons. One of the most important is coming to understand that employees are not just tools to use as a means to an end, but they are team members that must be given the right support, training and opportunities so they can reach for the stars.

Stellaris' bright success is the result of hundreds of individuals that shine with their own light. That's why we're set to show the many achievements our teams have acquired in their journey with us.

We proudly present the EMPLOYEES OF THE MONTH for August 2021 at all our locations. We're convinced this isn't going to be the last time you hear from them!

Spread the word among your friends and communities!
