### STELLARIS MONTHLY NEWSLETTER APRIL 2022

Stellaris Team,

Like the North Star leading the way, Stellaris leads its brand partners and employees towards stellar operations and professional growth as we feel driven by a responsibility to our brand partners, employees and communities. We believe in cultivating life leaders, and in order to do that we need to support, communicate and unite as a team under the same vision. We hope this newsletter is one thing that helps each month to do just that. We encourage you to read everything here, follow us on social media, join us at our team events, encourage your teammates to do the same, and ask yourself how you can be a leader in your roles at work and in life.

Ahmad Moalej,  
Stellaris Founder and CEO

## OUR GROWTH

Our recruiter Araceli, trainer Patty, VP Beatriz, Culture ambassador Lupe, HR Berenice, and DM David all teamed up together to develop a plan to ensure our team members' operations, quality, and customer service matched the expectations of the future remodel of unit 347.

# TEAM MEMBER SPOTLIGHT

We're proud to announce Julien's promotion to Shift Manager. His constant commitment and high standards of execution really paid off! Thank you, Julien, for being an exemplary Stellar Leader.

**We expect to hear about you again!**

Stellaris Group promotes CULTURE, TEAMWORK and FUN by recognizing team members and celebrating their special dates and achievements together. This way, we build motivation and bonds within our teams that will lead them to achieve their best performance.

**Happy Birthday, Laura!**

**We wish you many more years of growth as part of the Stellaris Family!**

Team 210 have conquered an achievement worth our recognition! We are amazed by their brilliant performance every single time. We expect many more wins from this committed team that never stops in their endeavor to be the best.

We're so proud of team 131, for committing to our Stellar Quality Method and coming out victorious from this assessment. Thank you for your incredible efforts. We're certain that we'll hear more about again you very soon.

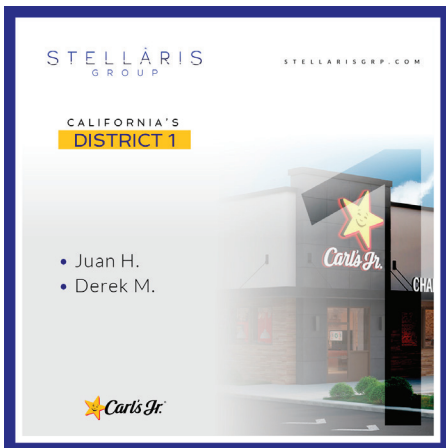

## EMPLOYEES OF THE MONTH MARCH 2022

+25 years of experience in the QSR industry have taught Stellaris' leadership many lessons. One of the most important is coming to understand that employees are not just tools to use as a means to an end, but they are team members that must be given the right support, training and opportunities so they can reach for the stars.

Stellaris' bright success is the result of hundreds of individuals that shine with their own light. That's why we're set to show the many achievements our teams have acquired on their journey with us.

We proudly present the **EMPLOYEES OF THE MONTH** for March 2022 at all our locations. We're convinced this isn't going to be the last time you hear about them!
