### STELLARIS MONTHLY NEWSLETTER OCTOBER 2022

Stellaris Team,

Like the North Star leading the way, Stellaris leads its brand partners and employees towards stellar operations and professional growth as we feel driven by a responsibility to our brand partners, employees and communities. We believe in cultivating life leaders, and in order to do that we need to support, communicate and unite as a team under the same vision. We hope this newsletter is one thing that helps each month to do just that. We encourage you to read everything here, follow us on social media, join us at our team events, encourage your teammates to do the same, and ask yourself how you can be a leader in your roles at work and in life.

Ahmad Moalej,  
Stellaris Founder and CEO

## TEAM MEMBER SPOTLIGHT

### STELLAR TEAM RECOGNITION

Congratulations to **STORE #558**  
for doing a great job in their Operation Assessment.

[STELLARISGRP.COM](http://STELLARISGRP.COM)

We want to recognize GM Araceli and her team #558 for doing an amazing job in their Operation Assessment. The outstanding efforts of her team don't go unnoticed. This is a team full of talented individuals who aim for success at every step of the way, eager to keep surpassing their own limits.

Operation Assessments entail having high quality standards on every step of the way, such as guest and employee experience factors, products, services, leadership and training. That's why we want to take a moment to congratulate Araceli and her team. We are super proud of you!

At Stellaris we care for our teams. For us, being there for them during their journey is an important part of our own path as well. We hope you keep choosing us to grow and accompany you. And for many years more to come! Happy birthdays to you all!

We take great pride in our teams' good performances. That's why we want to congratulate GM Leticia Martinez and her team at store #347 for earning their spot in the 95 Club. You've done an amazing job in regards to your unit's Operational Standards (Quality, Service and Cleanliness). Keep up the good work!

## EMPLOYEES OF THE MONTH OCTOBER 2022

+25 years of experience in the QSR industry have taught Stellaris' leadership many lessons. One of the most important is coming to understand that employees are not just tools to use as a means to an end, but they are team members that must be given the right support, training and opportunities so they can reach for the stars.

Stellaris' bright success is the result of hundreds of individuals that shine with their own light. That's why we're set to show the many achievements our teams have acquired in their journey with us. We proudly present the EMPLOYEES OF THE MONTH for September 2022 at all our locations. We're convinced this isn't going to be the last time you hear about them!
